

Dear _____ ,

Please protect the immigrant youth referred to as the "Dreamers" by passing the Dream Act of 2017. This bipartisan legislation would offer a route to permanent legal status for millions of undocumented immigrant youth. As a person of faith and a firm believer in the Gospel mandate to "Welcome the Stranger," I urge you to act to protect all immigrants from deportation.

Thank you,

Holy and loving Father, Mother, hold in your loving embrace the "Dreamers" who live in fear of being deported, many of whom have only known America as their homeland. Protect them and keep them safe from harm during this time of uncertainty. We pray for wisdom for our President and our Senators and Representatives, that they may find the will to pass immigration laws that will be a compassionate and just pathway to citizenship. And we ask this in name of Jesus, who never abandons those He loves, especially those who are most vulnerable. Amen.
